

MAISON LUXE

Interior Design Services

Services & Fees:

Maison Luxe is happy to provide Interior Design services for commercial or residential projects to our clients who do not live in the Seattle area. Our services include the following, and are billed as listed. If you need a combination of these services, or what you need is not listed below, feel free to contact us so we can create a plan tailored to your project.

- Color Consultation: \$160 per room

Includes overall color palette review (based on photos provided by client), full size paint samples, and diagram of where each color should be applied. Color consultation materials will be mailed within 14 days of receipt of client photos.

- Furniture placement plan using clients own furnishings: \$ 225 per room

Includes one furniture placement plan, showing optimum placement of the furnishings you already have in your home. Plans will be drawn to scale, and will be presented on paper, in a professional folder. Client must provide accurate dimensions of room, including features such as fireplaces, window placement, ceiling height, and doorways. A list of furnishings you wish to have included on the furniture plan, including dimensions, must also be included. Photos of existing furniture items should be emailed to us at hello@maisonluxe.net before we begin this process {low resolution photos please!} Furniture plans will be mailed within 14 days of receipt of client photos/dimensions.

- Furniture placement plan using clients own furnishings and new furnishings/accessories sourced by Maison Luxe: \$300 per room

Includes one furniture placement plan, showing optimum placement of the furnishings you already have, in addition to new pieces we recommend to complete your home. This can include suggestions for furnishings, accessories, window coverings, lighting, textiles, wall covering, paint, and flooring. Plans will be drawn to scale, and will be presented on paper, in a professional folder, along with tear sheets for each item suggested. Material samples will be provided as appropriate (fabrics, wall coverings, etc...) Client must provide accurate dimensions of room, including features such as fireplaces, window placement, ceiling height, and doorways. A list of existing furnishings you wish to have included on the furniture plan, including dimensions, must also be included. Photos and dimensions of existing furniture items should be emailed to us at hello@maisonluxe.net before we begin this process {low resolution photos please!} Furniture plans and tear sheets will be mailed within 14 days of receipt of client photos/dimensions.
